Thankyou RAY for putting on these

These sessions are just great for the
children. It teaches the children to mix with
other children and do role play. As a bonus
the snacks of fruit and biscuits are great.
Loved every session.

These Play days have been great for the kids, getting them out of the house & seeing kids since there aren't any on our street. And it was great to have them out and not destroying my house!

The children thoroughly enjoyed
the sessions in particular the sand,
dressing up and having a snack.

We attended several of the sessions
and children looked forward to the sessions.
Thank you for providing the sessions
which was brilliant especially as
they were free.

I do hope that you will be
able to hold such activities next
summer.

Diolch o galon i'r staff.

Thank you
